
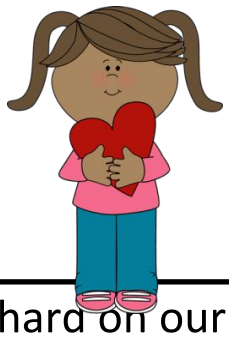
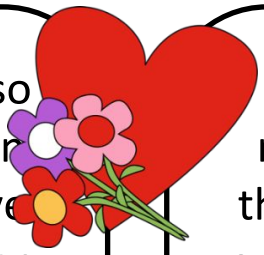
Class 3 February News



Happy February everyone! We are working very hard on our IEP goals and so much more each day. Please feel free to practice those goals at home as well. The students love to show off their new skills to others 😊

We have been learning so much about Dinosaurs, in our play inquiry. We have helped a dinosaur emerge from an egg, painted their footsteps and used shapes to create dinosaur collages. Next, we will be identifying parts of the dinosaurs and comparing them. Roaring good time!



We will begin a new Literacy program this month. Our first book that we will be focusing on is Brown Bear, Brown Bear. We will be focusing on identifying and reading words "you", "see" and "read" . We will being doing art projects, songs and several literacy activities this month!

Reminders

Report Cards go home on February 10. Please sign and return the original report card and IEP as soon as possible. Thank you 😊
