

February

FUN HUB THIS MONTH:

Colby helped us on our Treasure Hunt while we used our coding skills to locate all kinds of fun treasures!!!

**ON, OFF, EAT
& DRINK**

Upcoming News:

JMCC is very excited about an upcoming student-parent engagement event. Our students will be creating some fun hats to bring along to the event. Stay tuned for details and get ready for some really exciting news!!!!

Language Focus This Month:

Students practiced comprehension and making predictions while reading "Dragons Love Tacos" and "The Perfect Pet". They put their sequencing skills into action with pizza & taco creations! Our students showed their appreciation for pets with great care to Clifford The Dog!

Numeracy Focus This Month:

Students worked away on their patterning skills by creating heart crafts out of AB and ABC patterns. They enjoyed several Boomcard and hands-on activities sorting land/water animals, shapes, colours, sizes and farm animals. Students showed off their geometry skills while we played "Name The Shape" game and created pictures out of shapes!
