

October

Fun Hub this month:

- Virtual field trip to Mrs. K's orchard to check out different kinds of pumpkins and squash
- Scavenger Hunt outside to find different sizes and varieties of leaves.

CORE WORDS THIS MONTH:

WANT, SEE, LIKE

Tech Talk:

We used Ollie the robot to help us on our scavenger hunt and he even did a few tricks and spins for us too!

Bee Bot was used this month to help us find our lost school supplies and we learned about algorithms left, right, front and back.

Focus in Language this month:

Uppercase and lowercase letter recognition, retelling a story in proper sequence, identifying a main character in a story, identifying a characters emotions, expressing thoughts and feelings about a story.

Focus in Math this month:

Representing and comparing whole numbers from 1-15, representing a pattern using 2 attributes (eg. colours and size), using ten frames, organizing objects and classifying them.
