

CLASS 1 NEWS

March 2020

COMMUNICATION CORNER

It's hard to believe that we are already in the month of March! The children have grown and developed wonderfully. We are very proud of their accomplishments thus far. I would like to take this opportunity to welcome Michelle Joinville to Class 1. She will be our new class ECE!

WELCOME MICHELLE!

This month we will continue with our fine motor practices, letter recognition and letter sounds, recognizing numbers, one-to-one correspondence, sequencing, shapes and positional math! In literacy, we will continue to read our first story in our new literacy program. Our story is "Brown Bear. Brown Bear" The words that we are focusing on in the story are: "**SEE**" "**YOU**" & "**READ.**" We will also be reading Dr. Seuss stories, and have some wonderful activities planned to go along with the stories. In science, we will be learning all about rainbows and colour mixing!

We would also like to remind you to please take a look at our Class 1 web page on the JMCC site. Class news and photos are updated monthly!

Your Class 1 Team

LOOK WHAT WE'VE DONE! Amazing Accomplishments

Mal Esham - is independently using the iPad to sort items by colour, shape, and objects!

Dash - loves exploring the school in his walker with Dave.

Sibel - is verbally counting to 10!

Lawson - loves his brand new wheelchair!

Brook-Lynn - loves to use her SBS to participate in our story 'Mrs. Wishy Washy.'

Michael - is correctly using the Marbotic numbers on the iPad!

Irelynn - enjoys exploring the sensory bins. The FROZEN bin was her favourite!

Heidi - is learning to answer comprehension questions in complete sentences!
