

Dear Parents/Guardians,

April 3, 2020

We hope that all of our JMCCSA families are well, and we look forward to seeing everyone back at school. The Ministry of Education mandated provincial school closure order has been extended until May 4, 2020.

JMCC School is pleased to start teacher-led learning for our students on Monday, April 6th, 2020. Using the Google Classroom platform, our teachers have created virtual classrooms to share learning activities that you can do with your child during our school closure. Each parents/guardian will be invited via email to join their child's Google classroom. You and your child will also have access to a JMCCSA Arts Google classroom as well.

Google Classroom is a private platform used in education. Only those with the access code can see what has been posted. You may also use our Google Classroom as a way to communicate with your classroom team. Effective April 14, we are pleased to share you and your child will be able to join Miss Candice for virtual music therapy sessions as well.

Please note, families that have indicated a need for resources/equipment currently within the building will be contacted during the week of April 6th to arrange for pick up.

Communication is especially important in challenging times. If you receive a call from a blocked number, it may be a member of your child's classroom team trying to contact you. My contact information is listed below. Please contact me if you have any questions or concerns.

We will continue to keep our JMCCSA families updated as more information is shared by the Ministry of Education. Please know, we are all look forward to being together again as soon as it is safe to do so.

Please take care and stay safe.

Brenda Roberts Santarossa, PhD
Principal,
John McGivney School Authority
