April 2022

COMMUNICATION CORNER

HAPPY SPRING EVERYONE!

Although the beautiful Spring weather isn't quite here yet, our class is planning on spending a lot of time outdoors in nature. We will be going bird watching/listening, taking walks to Malden Park to see, hear and smell all the Spring changes, and playing baseball to practice for the Challenger Baseball Game later this spring! We are definitely an outdoor nature-loving group in Class 1!!

April will begin with a Spring Spa Day! We will be getting mani's and pedi's, participating in yoga, and having facials. Our Class 1 friends love to be pampered! We will continue with our fine motor practices, letter, name and number recognition, sorting, shapes and positional math! In literacy, we will be continuing our unit on Fairy Tales and Rhymes. This month our book is **The Muffin Man**. In science, we will be learning about Bees and Sunflowers. We will also be cooking and creating beautiful art with honey. Yummy!

A reminder to please take a look at our **Class 1 Twitter** page (our Twitter handle is **@FDK1_JMSA**) There you will find many photos and documentation of all the wonderful things your children are working on and the goals they are accomplishing!

Please do not hesitate to contact us should you ever have any questions or concerns about school!

Here's to an Awesome April!

LOOK WHAT WE'VE DONE!

Amazing Accomplishments

Lawson - enjoys music therapy with Mrs. Candice. He can be seen tapping his bells on his tray as she is singing and playing her guitar.

Cliffie - enjoys learning activities on the Smart Board. He thought our Tim Hortons Donut counting game was especially fun! He could be heard making happy sounds every time he moved a donut into the box.

Ta'Myah - loves pretend play with dolls. She likes to feed them, dress them, and comb their hair.

Brook-Lynn - loved using the BeeBot during our Jack and the Beanstalk inquiry. She pressed the button on BeeBot and watched it move UP the beanstalk! Then she said STOP on her SBS when it reached the top!

Ryker - loves play and explore time with his friends. He was smiling so big when his friend Cliffie played ball with him! It was a very sweet moment!

Dash - enjoys watering all of our class plants! He especially enjoyed watering our "beanstalks," and noticing how tall they got!
