

# April

## CLASS 2 NEWS FOR APRIL

Spring is here! We are very excited for the sunshine and warmer weather. This month we will be learning and celebrating Ramadan by enjoying books, crafts and taste testing some cultural food. We love celebrating in Class 2 :)

We are starting our fourth TELL Literacy book, No, David! This is a fun book about an active little boy who has to make good choices. Many of you may see and hear “no” from your child as we explore this silly story and learn new core/sight words.

Beep, Beep!

Our class has been focusing on transportation and learning about different ways we can GO. We have explored cars/trucks in sensory bins, art projects, songs, books and even gross motor activities

### Reminders

You would like to see more pictures and what we are doing in Class 2 please check out the JMCC school website or Instagram #schoolmgivney.
