EVENTS THIS MONTH

- Celebration of Life: Oct. 14th
- Take Me Outside Day: Oct. 19th
- Diwali - Oct. 24th
- Spooktacular Event: Oct. 31st (A.M)

WHAT WE HAVE BEEN DOING...

In Class 4, we have been very busy learning many new things! We have been enjoying the beautiful fall weather through exploring the world around us and making observations of the seasonal changes we see and feel.

During Literacy, we have been focusing on listening and repeating different rhyming patterns. Within small groups, students are using different types of technologies to hear the sounds that letters can make.

During our writing small groups, students are focusing on labelling and creating sentences using the pattern, "I see a.... and I like the....".

During Math small groups, we have been introducing students to a variety of robotics and using their prior knowledge to explore numbers in different ways. Class 4 enjoys using hands on activities to show their amazing skills! We will be investing different shapes and begin to sort shapes through different attributes.

We have been exploring emotions and what they feel like, sound like, and look like. We have been having so much fun creating our own playdough faces and making our very own funny faces!

CLASS 4'S AMAZING ACCOMPLISHMENTS

Luke has been rocking Lexia! He has working on categorizing unfamiliar objects and practicing listening to short and long vowel sounds! Keep up your amazing work!

Mal Esham has been practicing using her loud voice during Morning Gathering to greet her friends with a big HELLO and a big smile! She loves talking to her friends and is always helping out!

Mia is doing a great job using her Accent communication device to create sentences about familiar picture. One of her favourites to write about is a cat wearing a scarf!

Lilah has been doing an amazing job using her communication device to greet her friends each morning during Morning Gathering. Amazing work Lilah!

Clifford loves going to the gym. One of his favourite activities include playing "What Time Is It Mr. Wolf?". He is a social butterfly and really enjoys participating in ball games with his friends.

Dash has been practicing counting and making teen numbers on his communication device. He likes to pick from the "Mystery Box" and share the number with his friends!

Brook-Lynn has been a Rockstar at tabletop activities. She been using different manipulatives to identify the letters in her name.
