## CLASS 2 News

**Winter is just around the corner!**

This month, we will be learning about Hanukkah and the Celebration of Lights as well as Christmas celebrations in our class. We hope to learn and experience some of the wonderful celebrations that are meaningful to our families. Please continue to share any pictures or stories that would enrich our classroom celebrations.

We have been exploring patterns in many different ways- using colours, shapes and other natural objects. We encourage you to look for patterns at home on clothes, furniture, artwork, etc. There are so many patterns around us!

Please enjoy our class book- Class 2, Class 2 who do you see?. We hope everyone gets a chance to take it home and share it with their families. Our new book, I Went Walking, has been just as much fun with colourful animals and exciting activities!

### Reminders

Have a wonderful and safe winter holiday and we will see everyone again in 2023!
