December has been a busy month in Class 5! We have been in the holiday spirit, reading holiday theme sensory stories such as All You Need for a Snowman & There Was An Old Lady Who Swallowed a Bell. The students enjoyed exploring all the props that went with each story. We began a communication circle each morning where we focus on 1-2 core vocabulary words from our students communication goals. Our students are exploring their devices on their chairs and beginning to show some accuracy in using their device to communicate.

JMCC School has had many holiday festivities for our students over the past week. Class 5 took part in a digital walkway with Mrs. T and the students in Class 4. We had lots of fun exploring sensory items that were associated with the song "Winter Wonderland" and working with the Green Screen. You can see our video & pictures from the month of December by scanning the QR on the newsletter.

Happy Holidays to all our Class 5 families!

From Ms. Spadafora, Ms. Tracy, Ms. Michelle & Mr. Dave
