

Art & Music Cafe

Mrs.T

Music

Some students worked on call and response or “repeating”. Other classes worked on drumming. Some participated in a drumming circle via the SMARTBoard while enjoying Mrs.T leading the class

January

Dance

Students experienced different forms of dancing such as square dancing. We created our own class dance using 3-4 steps while other classes waved scarves and participated in ribbon dancing. We also experienced our very own "Dragon Dance Parade" for the Lunar New Year. What a great way to celebrate and wish everyone a very Happy 2023!

Drama

During drama, we had fun creating sock puppets then watching a class puppet show. Some students participated using either voices, step by steps or picture cards. Class 4 enjoyed making story predictions as well as story recalling. Learning and fun was had by all.
