

CLASS 1 NEWS

February 2020

COMMUNICATION CORNER

What a wonderful month January was for our class! It was a busy and productive month filled with lots of fun learning. We are also very proud of how the boys and girls transitioned smoothly into their daily routines after the winter break.

This month we will continue with our fine motor practices, positive social interaction, letter and word recognition, reading comprehension, recognizing numbers, one-to-one correspondence, shapes, sequencing, sorting and positional math! AND our FAVOURITE- singing and dancing! We will also be exploring Winter Activities. What a busy month ahead!

As Valentine's Day quickly approaches, we will be celebrating it in our classroom by talking about love and making valentines for our families. The children are welcome to bring nut free treats and/or Valentine's Day cards for their friends. We have 8 children in our class.

We would also like to remind you to please take a look at our Class 1 web page on the JMCC site. Photos are updated monthly!

As always, please do not hesitate to contact us should you ever have any questions or concerns about school!

LOOK WHAT WE'VE DONE! Amazing Accomplishments
