Class 2 June News

Summer is fast approaching and everyone has worked so hard this year! It has been an awesome year and we have learned about so many things- from snails to how to play baseball and how to hatch and care for chicks! We just wanted to thank all of the parents and families for a great year and for all your support with your child's education and care. It has been a team effort with a wonderful group of parents and children.

This month, we will be enjoying different books by Eric Carle. These books will be a fun way to practice our letter/sounds with interactive activities. The books have animal characters and our class really seems to enjoy learning about new animals!

Class 2 continues to care for our classroom garden. It is getting bigger everyday. In a few weeks, we hope to send home our bean plants so that our families can enjoy them over the summer. Our garden of tomatoes, basil, lavender and sunflowers will keep growing over the summer :)

Reminders

Report cards will be sent home on Tuesday, June 22. Please sign and return all original copies of the report card and IEP promptly. Thank you!
