Dear Parents/Guardians,

We look forward to welcoming our students back to school on January 4, 2021. **However, changes to the return to school may be made by the Ministry of Education or the Windsor-Essex County Health Unit.**

Please monitor the news, as JMSA is required to follow the direction of Public Health and the Ministry of Education. Should either direct us to move to virtual learning on January 4, 2021, our school authority must do so.

Please have a safe and wonderful holiday break with your family.
