

CLASS 1 NEWS

March 2023

COMMUNICATION CORNER

It's hard to believe that we are already in the month of March! The children have grown and developed wonderfully. We are so proud of their accomplishments thus far. February brought some wonderful learning experiences. We especially enjoyed celebrating Black History Month through music, literature and art!

We would like to take this opportunity to say **THANK YOU** to all our families that were able to attend **Watch Me Learn Week**. It was absolutely wonderful having our families visit and participate in some fun activities with our class 1 friends!

This Month's Focus:

March will begin with a celebration of Friendship! We will be sharing our favourite items/toys, and then making some yummy friendship smoothies. We will continue with our vision and fine motor practices, numbers 1-5 and positional math! In literacy, we will start our new Tell Me story..... **Go Away, Big Green Monster!** In science, we will be celebrating Spring weather!

Here's to a Marvelous March!
