March 2022

## COMMUNICATION CORNER

It's hard to believe that we are already in the month of March! The children have grown and developed wonderfully. We are so proud of their accomplishments thus far. February brought some wonderful learning experiences. We especially enjoyed celebrating Black History Month through music, literature and art!

March will begin with a celebration of Mardi Gras! We will be making masks, having a parade, and listening to jazz, rhythm & blues and brass music. We will continue with our fine motor practices, letter and number recognition, sorting, shapes and positional math! In literacy, we will be starting a new unit... Fairy Tales! Our first book is **Jack and the Beanstalk**. In science, we will be learning about seeds and how they grow. We are even going to grow our very own beanstalks!

A reminder to please take a look at our **Class 1 Twitter** page (our Twitter handle is [@FDK1\\_JMSA](#)) There you will find many photos and documentation of all the wonderful things your children are working on and the goals they are accomplishing!

Please do not hesitate to contact us should you ever have any questions or concerns about school!
