May 2022

## COMMUNICATION CORNER

*Welcome to the month of May! This month promises to be filled with lots of beautiful weather and outdoor fun!*

Now that the beautiful spring weather has finally arrived, our class will be spending a lot of time learning outdoors in nature. We will be going on bird watching/listening adventures, taking walks to Malden Park to see, hear and smell all the spring changes, reading stories under the gazebo, and playing baseball to practice for the Challenger Baseball Game later this month!

This month we will continue with our fine motor practices, letter, name and number recognition, sorting, shapes and positional math! In literacy, we will be continuing our unit on Fairy Tales and Rhymes. We will begin with more **The Muffin Man** activities, followed by the story, **Alice in Wonderland**. In science, we will be learning about birds, bugs, mud, flowers and wind. We also have a special Mother's Day surprise planned for our AMAZING Class 1 moms!

A reminder to please take a look at our **Class 1 Twitter** page (our Twitter handle is [@FDK1\\_JMSA](#)) There you will find many photos and documentation of all the wonderful things your children are working on and the goals they are accomplishing!

Please do not hesitate to contact us should you ever have any questions or concerns about school!
