CLASS 3 NEWS

Thank you to all our families who attended or are scheduled to attend VIRTUAL IEP meetings 😊 The IEP is a great working document that ensures we are all on the same page and working toward the same goals. If there are any questions, please never hesitate to ask.

We are very excited to be diving into a new book I Went Walking from the TELL Literacy program. This is a fun book to build more letter/sound correspondence increase core/sight word recognition and use as well as explore more animals.

SHAPES SHAPES SHAPES
We will begin our shape studies this month. Shape explorations will happen in math centres, art activities, sensory bins as well as with robotics. There is so much to learn with each shape and their features. Class 3 will be in tip top shape!

Reminders

Sending home IEPs and progress reports this month. Please sign and return to school as soon as possible. Home copy is for you to keep. Thank you ☺

Birthdays and Other Important Dates

Nov 11 VIRTUAL Remembrance day

Nov 23 Avery's Birthday and IEPs come home
