

CLASS 1 NEWS

November 2021

COMMUNICATION CORNER

Much of October was spent exploring nature and connecting it to our math, literacy and science program! We went for many outdoor walks, including our very first field trip to Malden Park. Because it was such a success, and the children enjoyed it so much, we are planning on making this field trip a monthly activity (weather permitting, of course.) We are so excited to see how the seasons change by exploring the sounds, sights, smells and textures in Malden Park.

A reminder to please take a look at our **Class 1 Twitter** page (our Twitter handle is [@FDK1_JMSA](#)) There you will find many photos and documentation of all the wonderful things your children are working on and the goals they are accomplishing!

Please do not hesitate to contact us should you ever have any questions or concerns about school!

Here's to a FALL-filled November!
