

# Mrs. Wirag's Classroom News

## NOTES

Class 3 friends are back together in class and we are settling in. Our room and our daily schedule is based on physical distancing and hand washing for the safety of all our friends. Please look in the communication book each day for important information and we really appreciate when you write how your child's evening went :)

## WHAT WE ARE LEARNING

We have begun our Apple exploration by reading, observing and even painting with apples. We are having a lot of fun with the book 10 Apples on Top~ Dr. Seuss. We have also begun our All About Me pages- You will see these come home this week. Please fill out and return to school as soon as possible so that we can begin to share about ourselves. The season of Fall is upon us and we are learning about all the physical changes around us

## UPCOMING EVENTS

Thanksgiving - Monday October, 12 - NO SCHOOL

- Please check our website for information and pictures of our learning
