COMMUNICATION CORNER

We have had an awesome start to the new school year! The children have adjusted well to our daily routines, and have been very busy learning new and exciting lessons, and making new friends.

As you are aware, our school and therapy team have established your child's Individual Education Plan for this school year. Goals have been set for school curriculum, as well as occupational therapy, physiotherapy and communication. We look forward to implementing these goals into our school day! Completed IEPs will be sent home this month.

A reminder to please take a look at our **Class 1 Twitter** page (our Twitter handle is [@FDK1_JMSA](#)) There you will find many photos and documentation of all the wonderful things your children are working on and the goals they are accomplishing!

Please do not hesitate to contact us should you ever have any questions or concerns about school!

Here's to a spooktacular October!
