

# OCTOBER

## Mrs. McLeod's Class

### What We Are Learning

Welcome pumpkins, harvesting and more! What a fantastic beginning to our school year! Our students in Class 3 have all settled in well to the daily routines within our school day.

We have been busy engaging in a variety of stories throughout the school day. During Literacy, we are continuing to focus on "Chicka Chicka Boom Boom" with a focus on letter identification, letter matching and sensory letter exploration.

In Math, we have been enjoying using a variety of technology to show our understanding of numbers and shapes.

The students in Class 3 are very inquisitive learners! We have been exploring apples in a wide variety of ways. We have made apple sauce, painted with apples and even used a computer program "Makey Makey" to use apples to play a piano! We will continue to explore all things fall!

### Important Dates

Cerebral Palsy Day - Oct. 6th  
Thanksgiving - Oct. 11th  
Le Royce's Birthday - Oct. 16th

### Class 3 Accomplishments

**Leonard** has started the year off brilliantly! He has learnt his friends names and will say good morning to his friends every morning!

**Le Royce** has settled into the school year wonderfully! He has a love of reading books and has begun to point along to words!

**Lucien** has begun this school year great! He has been exploring Osmo and spelling different words!

**Luke** has settled into his class marvellously! We love listening to him sing along to familiar songs!

**Marley** has settled into her new classroom beautifully! She loves playing games in the gym with her friends!
