

Class 2's OCTOBER News

Fall is here! We are looking forward to meeting with you and creating your child's IEP. These documents will be sent home later this month. Please do not hesitate to contact me if you have any questions by calling, by email or writing in the Communication book.

We have been busy learning outside! We see the change in the leaves and comparing the different sizes and shapes of branches. We used some of our nature objects to write our names!

This month we begin our first TELL book, Brown Bear, Brown Bear. It helps us practice core words, colours and all about the animal characters. Stay tuned for our fun version of this book

Reminders

October 10 - Happy Thanksgiving (no school)
October 31- Halloween Trick or Treating
around the Centre
