

# CLASS 1 NEWS

October/November 2022

## COMMUNICATION CORNER

Much of October was spent exploring things that are found in nature and connecting it to our literacy, science and arts program! We went for many outdoor walks, where we were able to feel, hear and see how the season changed from summer to fall. This month, we will continue to explore the fall sounds, sights, smells and textures that surround our school.

A reminder to please take a look at our **Class 1 Twitter** page (our Twitter handle is **@FDK1\_JMSA**) There you will find many photos and documentation of all the wonderful things your children are working on and the goals they are accomplishing!

Please do not hesitate to contact us should you ever have any questions or concerns about school!

**Here's to a FALL-filled November!**
