December 17, 2021

Dear Parents/Guardians,

**RE: Preparation for January 3, 2022**

At this time, all schools in Windsor-Essex are expected to be open on January 3, 2022. However, to be prepared for the possibility of a Public Health directive to move to virtual learning, some learning materials resources may be sent home on **Friday, December 17, 2021**.

Please check your child's communication book for information from your child's teacher. Please check your email as well.

- **Virtual Learning Format:** If a virtual learning order is issued for January 3rd, JMSA will use the Google classroom.
- **Resources:** Any classroom resources (e.g. toys/switches/manipulatives) sent home Friday must be returned with your child when school returns. These resources are needed in the classrooms.
- **iPads:** iPads are being sent home today **only** to families who indicated in our survey that they were required for their child to participate in virtual learning. These must be returned when children return on the first day of school. These too are needed in the classroom. These iPads are only for your child to access virtual learning.

A handwritten signature in black ink that reads "B. Roberts-Santarossa".
