

SEPTEMBER

Mrs. McLeod's Class

What we are learning

During the month of September, we will be focusing on getting to know one another, learning new classroom routines and schedule, reinforcing the importance of handwashing and germs and beginning to explore the season of autumn. Autumn represents many changes, which include changing of colours, weather, animals and more! We will begin our classroom inquiry with looking at all things fall!

To start off our new school year, we will be reviewing letters of the alphabet with the story "Chicka Chicka Boom Boom". We will be focusing on our "Letter of the Week" through fun activities using a variety of senses. We will also introduce and review core words during various activities throughout the day!

Important Dates

September 7th – Early Year's Interview
September 14th – Marley's Birthday
