COMMUNICATION

This month we have been focusing on using our core word "go" in and outside the classroom. Students have been using cue cards, and communication devices to express the action "go" when transitioning in the classroom.

We focused on reading the story "Go Away Big Green Monster" where the students used their devices to express action work g" "go".

We also had lots of fun recreating the story on the green screen!

CLASS 5 NEWS

Our students have been working very hard on achieving their goals in all areas. We are exploring different sensory items that and creating some of our own sensory learning materials in the classroom.

We have read some winter-fun sensory books, such as "The Mitten" & "5 Little Penguins Slipping on the Ice". The students have enjoyed exploring the items related to stories and learning about the different winter animals..
