Oct. 19, 2021

Dear Parents/Guardians,

An email invite will be sent to JMCC parents/guardians today, inviting them to join us for a **JMSA School Spooktacular Event on Friday, Oct. 29, at 1:30**. The invite will include a link to the Spooktacular Virtual assembly.

At the assembly, students from each class will unveil their secret "Mystery Pumpkin" carving. Children who brought costumes will have a chance to dress up. Many Centre staff will be joining the virtual fun as well. Judges will decide which class wins the Pumpkin Carving Contest.

Our JMSA families come from many diverse backgrounds and cultures. As such, some families might not wish for their child to participate in the assembly or the "trick or treating."

If so, please sign below. We have created another space with many fun activities for your child to enjoy instead.

I, _____ do not wish for my child _____ to participate in the Spooktacular Assembly or trick or treating.

B. Roberts-Santarossa

Brenda Roberts-Santarossa,
JMCC School Principal
