Oct. 28, 2020

Dear Parents/Guardians,

An email invite was sent to JMCC parents/guardians last week, inviting them to join us for a **JMSA School Spooktacular Event on Friday, Oct. 30, at 1:30**. The invite included a link to the Spooktacular Virtual assembly.

Students in each class will be unveiling their class "Mystery Pumpkin," and children who bring costumes will have a chance to dress up. Centre staff will be joining the virtual fun as well.

Pumpkin Carving Contest judges will decide which class wins the pumpkin carving contest. The winning class will win a "mystery" treat!

If you would prefer that your child not participate in the Spooktacular event, please sign below. We have created space with fun activities that children can participate in away from the Spooktacular Virtual Assembly.

I, \_\_\_\_\_ do not wish for my child \_\_\_\_\_ to participate in the Spooktacular Assembly.
